Citizens Volunteer Corps (CVC)

- The CVC was established by the Fort Lauderdale City Commission, and the Vice Mayor serves as chair of the CVC Steering Committee.
- The goal of the CVC is to partner citizens with their government to accomplish grass roots projects that improve the community and the quality of life.
- The CVC promotes active citizenship, encourages teamwork and cooperation, and fosters a spirit of citywide neighborliness similar to historic fire station "bucket brigades" and community "barn raisings."

- The CVC is comprised of energetic, caring residents who serve on an "as needed" basis to address non-emergency, citywide projects that positively impact the community.
- CVC projects range from cleaning up City parks and wiping out graffiti to assisting with City-sponsored events.
- Since the program's inception, more than 1,000 residents and City employees have volunteered their time and efforts and have completed close to 50 projects throughout the Fort Lauderdale community.

**Council of Fort Lauderdale Civic
Associations**

- The Fort Lauderdale Council of Civic Associations was established in 1980. Council members have participated in numerous CVC projects.
- Some of these projects include neighborhood walks against crime, graffiti removal, Fort Lauderdale Beach cleanups and sprucing up public spaces.
